Scholarship Fund To Be Combined

A joint meeting of the Haliburton Highlands Secondary School Scholarship Fund and the Haliburton County Old Boys' Educational Foundation was held at the high school on February 15, 1973. The financial statements of both organizations were presented by Mrs. English and Mrs. Andison.

The Old Boys' Foundation have ten loans out to students at present to the amount of $5,855. The two loans made in 1972 were for a total of $600. The bank balance as of December 31, 1972, was $256.74.

The Scholarship Fund paid out a total of $3,027.14 in awards in 1972. These awards covered the Honour Student Banquet, honour pins and bars, trophies, plaques, medals, prizes, scholarships and bursaries. There were no expenditures for any other expenses.

The receipts were obtained from donations from interested groups and individuals, the largest coming from the teaching staff to the amount of $862.95. The balance of the money was derived from the investments of money donated to the Haliburton County Board of Education for perpetual awards and controlled by an appointed Board of four trustees. As of December 31, 1972, there was $9408.05 in this fund. On December 31, 1972, the Scholarship Fund had a bank balance of $136.99. This fund is registered for income tax purposes.

Mr. Robert Herlihey and Mrs. English made a proposal for the amalgamation of these two organizations. The reasons for this union was explained as follows:

(a) Both groups have a common interest in the financial assistance of our young people who wish to continue their education beyond secondary school level.

(b) The Scholarship Fund should have more representation from the community.

(c) The Old Boys' Foundation has been having trouble in obtaining sufficient representation to carry on its work.

Mr. Herlihey suggested that if there was amalgamation the operation could be as follows:

(a) The name would be The Haliburton Highlands Secondary School Scholarship Fund as this group is now registered as a charitable organization.

(b) A governing body should be set up with an executive and a council or Board of Directors.

(c) The directors should have representation from major donors, the school staff, the Board of Education, and the community served by the school.

(d) A constitution should be written for the operation of the organization.

After much discussion, the following Notice of motion was made by Mr. Keith Hill: "I will move or cause to be moved at the next meeting of the Old Boys' Foundation to be held on Thursday, March 29, at 7:00 p.m. in the high school that the Haliburton County Old Boys' Educational Foundation amalgamate with the Haliburton Highlands Secondary School Scholarship Fund and turn their assets and liabilities over to the combined organization."

A further decision was made that the members of the Old Boys' Foundation who were abunder the direction of Mr. Glen Carter. These Grade 8 students who practise on their own time, at noon hour or after school, were warmly applauded for their enthusiastic performance.

A vote of thanks goes to all

TORONTO CONCERT BAND VISITS LOCAL SCHOOLS

On Friday, February 16th, the staff and students of Archie Stouffer Pubic School in Minden were hosts to the Jarvis Collegiate Concert Band from Toronto. This band boasts a membership of 73 high school students of first-rate musical ability. They played two 40-minute concerts during the day — one to the entire student body of the Minden Public School in the morning, and the other to the students at the Haliburton Highlands Secondary School in the afternoon. The musical director of the band, Mr. Eldon Lehman, will be taking the group on a trip to Washington, D.C. later this spring.

A light lunch at noon, and a substantial buffet supper in the evening were provided by the generous efforts of the parents and staff of the Minden School. While in Haliburton County, the Jarvis students enjoyed two hours of winter sports including hockey and pleasure-skating on the Archie Stouffer natural rink, and rides on snow machines for all those willing to take a spin through the woods adjacent to the school yard.

The performance of this band provided additional incentive to the students who are involved in the instrumental music orogramme at the local school.

ORAL COMMUNICATIONS FESTIVAL 1973

A group of Haliburton County's most skillful young orators competed in the Elementary School County Finals at the high school auditorium on February 13th. The 8 contestants, two each from Dorset, Cardiff, Minden and Haliburton, presented a prepared speech, answered questions and read from selected books to the largest audience in recent years in an effort to be selected as the county representative for the Zone Finals in public speaking.

Steven Charbonneau, an alert 12-year old from Grade 7 in Cardiff School, displayed the excellent poise and fluency required to be named as winner of this year's contest. Mrs. Margaret Sisson, Mrs. Louise Madden and Rev. Kasurak who acted as judges, complimented all the contestants for their fine efforts and encouraged them to pursue their interests in public speaking.

Each of the contestants received certificates from the local Women's Federation which were presented by Mrs. Ruth Gorrie and Mrs. Bonnie Lee Berry. Mr. Richard Poole presented the Board of Education award to Steven who, as winner, will compete in the Zone 8 Finals to be held at Dunbarton High School, Pickering on Wednesday 28th.

Added entertainment for the evening was provided by the Archie Stouffer School band

THE SECOND ANNUAL KASHAGAWIGAMOG SNOWMOBILE RALLY A SUCCESS

A lot of people had a lot of fun on Lake Kashagawigamog a week Sunday afternoon.

The Second Annual Kashagawigamog Snowmobile Rally got well under way at 1 p.m. with machine after machine zipping away from the Haliburton Marine, every minute or so.

Halimar Resort was the first check point on their map, and most of the contestants were pretty well on time, there. But as they took off on a detour away from the lake, through bush and back roads, some began to loose points for too much or too little speed. Once past those "Cheerful Check Point Charlies", Dennis Casey, Murray Snell and Jim Burke, it was clear going down the lake to Dunsfords Store at Ingoldsby. There the chilly snowmobilers had time to stop for hot coffee, and a chance to stretch their legs before heading on to the next Check point, The Northern Eagle. (One snowmobile never did find that bay.) Between The Northern Eagle and the Haliburton Golf Course, the next stop on their map, the teams passed two hidden check points, where their time was stealthily tallied for them as they whizzed past.

Oh, the warmth of the Marine felt good, as they ended the afternoon's outing. There was a rush to sample Arts "Aloha Beans" and the cups of hot chocolate, while the crowd waited for all the cards to be added on the score board. Eyes kept moving to the "Pick-Your-Own-Prize" table, where some very beautiful and some very useful items were displayed, thanks to the generosity of our local business firms.

At last the moment arrived — this years winners were — Percy Lymburner, and his navigator, Michael Iles with the low score of just 6 points off for the whole trip. They took home the Snowmobile trophy, and their choice of the prizes on the table. It didn't take them long to decide on the box of miscellaneous snowmobile accesories, donated by the Haliburton Marine. Curry Whitaker drove the machines that came in second with a total point loss of 12. Tied for third place, with equal points, were Jean Iles, Gary Roberts, Derry Wilford and John Wilson. It needed the help of a coin to decide who would have choice of what, on the display table. Just about

THE MAIDENS' VIEWPOINT !

by

Norm Maidens

For the past three weeks I've been telling you about how Fenwick Finch timbered up on me — well, he hit me with it the other night. He usually comes on strong like the old late show, "Gangbusters" but this particular evening he came into my place at "The Pines", poured himself a grog and sat down just staring at me — saying nothing. I became a little uneasy because this is the Finch at his worst. Sipping his drink, he just sat there giving me the old eyeball until I could stand it no longer.

"Out with it,' I groaned, pouring myself a wee shot, (if I have to face Fenwick in this mood I need the spiritual support) "whatever is bothering you don't keep me in suspense any longer."

Taking his drink off the coffee table, he took a slow pull, lit a foul-smelling cigar, cleared his throat and said, "You know 'boy', you're a downright disappointment to me!"

"Now I'm for it" I thought. Whenever Fenwick uses that 'boy' approach it is the calm before the storm. The Finch is easier to handle when he's tuned in and real rabid — it's when he's cold and deliberate, you're in trouble, and, boy was I in trouble.

"Awhile back," he opened up, "when we decided you'd write the column under your own name and I'd slip into the background and only come out once in awhile I hoped you'd do a good job. You've failed me miserably, the stuff you're coming up with is gutless and namby pamby and reallly of little interest — where's your backbone?"

Before I could answer he raised his voice a notch and continued, "I've been reading your stuff ever since I moved out to Howland Jct. and I don't think too much about it."

Refilling his glass he continued, "Not to change the subject, but you remember that young Austin lad, you know the one who runs the Esso station at head of the by-pass, Jack, is it? well, you remember how he'd always been promising me a trip to Howland and always been promising me a trip to Howland and always he'd find an excuse not to make it. Well, I ain't saying he is cheep or nuthin' but he was out to see me the other night, scored a couple of drinks and [illegible] home. Guess maybe, the young feller just is too busy to make the trip sooner. Seems kinda funny though when you think of it!"

"Now, back to business, you've only written two subjects that I thought were any good and worth their salt — the one about the O.P.P. and the incident at Haliburton. Tell me, howcum you've been putting off our interview in the column? the truth bother you? You said it yourself last week, 'if you can't stand the heat, stay out of the kitchen.'

I could see Fenwick was getting warmed up and when he started again I knew the balloon was about to go up. I'm bound to tell you at this time that when Fenwick gets riled up about "police brutality" — "Regional Government" "The parole system", and "Governmental bureauacy" he tends to go off the deep end.

"The worst enemies any community has' Fenwick growled, "are the very people who are holding this paper and reading your column. They sit back and allow the government, local or otherwise to shove almost anything down their throats — "

"Just a sec. Fenick," I interrupted, "we've run out of space. We'll have to carry on next week." Drive carefully, your life is valuable. Two friends of mine didn't take my advice and, over the week-end I had "Around the corner, two vanished friends." — and it hurts.

THE SECOND ANNUAL KASHAGAWIGAMOG SNOWMOBILE RALLY

(Continued from Page 1)

everyone who entered the Rally went home with a prize tucked under their arm, to top off an afternoon of fun on Lake Kashagawigamog.

The Lake Kashagawigamog Tourist Association extends a very sincere thanks to the Haliburton Marine for the use of their facilities, and to the following businesses who donated the great prizes: Haliburton Marine, Lakeshore Marine, Wentworths Marina, Vance English Shell Station, Ed Youngdale Texaco Lloyd Moore Imperial Esso, Curry Motors, Prentice Roads, Elstone's Sunoco Station, Percy Lymburner Sales and Service, Halimar Resort, Deer Lodge, and The Parrotts Nest, Haliburton Lumber Enterprises, Scheffee Snowmobile Sales, Beaconbrooke Hotel, Black's Hardware, Dominion Hardware, Haliburton Air Service, Haliburton Golf Course, Royal View Lodge.

We would also like to thank Dal Hubbert who brought his camera along to catch some of the action, for posterity. And a special thanks to the volunteer patrols who helped so capably on the lake.

SCHOLARSHIP FUND COMBINED AT SCHOOL

those people who made the evening a success.

sent from the meeting shall be notified of the discussions that took place and of the Notice of Motion which will be presented on March 29, 1973, in order that any objections could be registered.

Mr. Herlihey announced that arrangements have been completed which will provide three new awards for our students. These are as follows:

1. The Haliburton Branch of the Royal Canadian Legion will provide a bursary of $200 annually to assist a worthy student proceeding to further education in a College of Applied Arts and Technology. (The Canadian Legion provide a $200 scholarship as well.)
2. The W. R. Curry Memorial Bursary is a perpetual award provided through Mr. Ronald Curry by Curry Motors. This bursary will provide $200 annual to assist a worthy student who is extending his education through courses in Sir Sandford Fleming or another College of Applied Arts and Technology.
3. The Mrs. Hazel R. Newman Memorial Bursary for Nursing has been provided by Mr. G. W. Newman of Etobicoke, Ontario, in memory of his late wife. This bursary will provide an award of $500 annually, and is given to assist a worthy student from Haliburton Highlands who is proceeding to a career in a recognized school of Nursing.

It is the hope of the Scholarship Committee that these generous donations by the Canadian Legion, Curry Motors, and Mr. Newman will help educate young men and women of whom the Haliburton Highlands Community will be proud.

THE NATION'S BUSINESS

by William Scott M.P.

The Federal government's surprise announcement that export limits would be imposed on Canadian crude oil, beginning March 1st, points up once again that our country is drifting along from day to day, without leadership and without guidance.

No one can quarrel with the fact that North America is experiencing a grave energy crisis and it would be difficult to disagree with any measures that would ensure that Canadians are given access to their own resources before our export customers are served.

However, the so-called energy crisis has been in the making for several years. The conservative opposition has been trying for the past seven or eight years to alert the government to an impending increase in demand for our oil and gas, especially from the United States. The U.S. has been our best customer for oil and gas, and their purchases have led directly to a healthy growth, and to stability,, in our oil and gas industry.

For several years we in the official opposition have been urging the government to establish a National Energy policy. We have stressed that such a policy should be based on our present production of oil and gas, an assessment of known reserves, and, a projection of future needs in the way of new exploration. An energy policy would allow us to weigh Domestic needs against our known production levels and reserves, and would thereby allow us to project present and future export capability.

It will be remembered that, only a few months ago, the government sent representatives to Washington to protest cut-backs in Canadian oil imports by the U.S. we were succesful in having those quotas raised, and we were prepared to even double our exports if the United States Government would give us unlimited access to their markets.

Now, just a few months later, we find that the government has panicked and slapped a limit on exports. In addition, fuel dealers in my riding have told me that they are having difficulty getting sufficient amounts of fuel to serve their customers. It is bad enough that we are running short of heating and cooking fuel for domestic consumption, but, it always follows that when a commodity is in short supply the price for that commodity goes up.

The Government's announcement of the export limits concluded on the note that the present policy is of an interim nature, and that, I am convinced, is the key to not only our energy crisis, but most of our other grave problems. The government continues year after year to deal with problems on a piecemeal, stop-gap basis. All of our policies seem to be interim policies, so that we are constantly finding ourselves in a crisis situation.

It is time for the government to get together with the provinces and work out a broad, all-inclusive energy policy. This must be done in conjunction with the provinces, because, since 1930, minerals and resources are under the control of the governments of the provinces in which they are located. While the Federal Government can set quotas for exports of resources, the provinces establish policies under which the resources are extracted and marketed.

As in the past, the present crisis has had its greatest impact in Eastern Canada, largely due to a lack of adequate facilities for getting Western Oil and gas to Ontario and points East. While the government is debating the means for getting Arctic oil and gas down the Mackenzie River Route to the

INTERCLUB

The Third Annual Kawartha - Highlands Interclub Figure Skating Competition will be held in the Haliburton arena, Sunday, March 11th.

Although the competitions are being held in Haliburton, the sponsoring club is the Minden Figure Skating Club. This year was Minden's turn to host this event, and it was felt our new arena would be ready, unfortunately some of its facilities are not yet in use, and the executive was forced to book the Haliburton arena. It is hoped because the event is held in Haliburton, it will not detract from the fact Minden should support this big event. Spectators are urged to get behind the club, and come out to watch the free-skating competitions, which start in the afternoon.

Bobcaygeon hosted the Interclub last year, and did a good job. Haliburton will host this event next year. This annual competition is for skaters at a low level, to encourage them to take part in competitions and develop them for higher competitions. Skaters taking part are from Bobcaygeon, Lakefield, Haliburton and Minden.

Three of the trophies donated for this Interclub competition were made by local businessmen, they are Sid Stamp, for pre-juvenile men; Frank Welch, novice ladies; Tom Prentice, Juvenile Mixed Dance.

Skaters from here taking part are: Laurie Wrightman, Laurie Magee, Tina Learmont, Ricky Beeney, Andrea Burk, Ruth Ray, Margie Newton, Shelly Hicks, Jane Harvey, Louise Fleming, Judy Trumbull, Kelly Greir and Katie Leary.

Many hours of work go into an event of this size, when you consider there are over one hundred skaters involved in this one day event, going from 8 a.m. to 8 p.m., with a wide variety of events, such as free- skating, dances and figures, it takes some great organization to put it all together. June Beeney is the host Chairman and has been doing a great job. Of course it takes many hands, and all club members are working extremely hard.

Judges for this event will be from Oshawa, Port Hope and Peterborough, and they will have their work cut out for them, besides facing a long day at the arena.

Figure skating has become a big part of the winter program here in Minden, and through such competitions as the Interclub, skaters will gain experience needed to advance in skating. Like the Minor Hockey, it needs everyones support, and through a combined effort Minden will develop a strong club, and gain a good reputation of having some fine figure skaters in years to come.

By the time Minden has to host the Interclub again, 1978, we may be able to boast of having developed some great skaters, and certainly the new arena will play a big part in this program. In the past few years the Minden skaters have been handicapped, and now must struggle to make up for lost time. Who knows, in years to come we might all be watching Minden's own Karen Magnussen in the World's competition.

LETTER TO THE EDITOR

February 26, 1973

Mr. Reginald Booth
Reeve,
Municipality of Anson,
Hindon and Minden
Minden, Ontario.

Dear Reg:

On Thursday, February 22, 1973 the Municipal Council awarded a contract for the salvage of materials resulting from the demolition of the old arena for a tendered price of $3,100. My offer was for a total of $3,150.00.

Ever since, in obvious search for justification to the public, the rumour is persisting that the council has questioned the legality, or at least the ethics of my submission, which of course is hogwash. Reference is made to a revision of the amount of my submission.

During the day I changed my opinion several times on the values involved, which of course is my prerogative. At about 4 p.m. I finally revised my type written offer to $3,150.00, initialed the revision, sealed and submitted it to you.

As you correctly informed the council in my presence, this is a valid and acceptable practice in any transaction.

The only other offer was delivered to the council in session at 7 p.m.

I trust you will be able to confirm this to anyone who might inquire.

Yours truly,

S. Weiss
BuildWell Lumber and Supplies Ltd.

THE NATIONS BUSINESS

(Continued from Page 3)

U.S., no decision appears to be close on whether or not we will get new oil and gas lines into Eastern Canada from the West.

With all its inconveniences and discomforts, the present energy crisis might have one good effect. It might finally encourage the Federal Government to establish a National Energy Policy. It is high time.

RED CROSS
IS ALWAYS THERE
WITH YOUR HELP

LETTER TO THE EDITOR

February 27, 1973
Minden, Ontario

Dear Sir:

I am always interested in reading the reports of the meetings of the local council and being informed of what is going on at the local level.

However in reading the report of the Council meeting of February 7, I noticed that By-law 73B (being a By-law to establish the rates of renumeration for the present council), does not state as the usual money Bylaws do, just what is involved money wise.

Is this just the usual By-law necessary for the normal expenditure of council's salaries at the old rates of $1200 for council members, plus $300 for the Reeve, or is this a quickie sliding through, involving an increase?

Breaking the renumeration down to the dollar level it works out at roughly $100.00 a meeting, which is nice work, if you can get it.

So, would somebody, please inform us, as to the details of By-law 73B, as I am sure a lot of people would be very interested to know.

P.S. - Congratulations to the council on the final disposition of the old arena as while, it constitutes a rare bargain for the new buyer, it has turned a liability, into an asset, for the taxpayers, and created local employment.

Yours truly,
Stan Briggs

MINDEN NOVICE DEEP INTO PLAYOFFS

After a successful year, finishing in second place the Minden Novice A team is deep into playoffs.

On Sunday afternoon they played the first game of the best of three series with Coboconk and won 3 - 1. Scoring for Minden was Mark Greir, Ron Yake and Brent Moxam.

The second game will be played in Coboconk tonight (Thursday at 6.30), and if a third game is needed, it will be played on Saturday here at 1:00 p.m.

The winner of this series will play a best of three series with Kinmount, and that winner will represent this area in Keene for the Little NHL Championship.

In OMHA play downs the Minden Novice team will play Haliburton, best of three series with the opener this Friday night here in Minden at 7 p.m.

The winner of this series will advance against the winner of Bobcaygeon and Coboconk.

It would be great for the kids to have some home-town support on Friday night, March 2nd, game time is 7 p.m.

GAME OF THE WEEK — with Cliff Burke

KINGS CHANGE OF GOALIES FAILS TO HELP LITTLE BRITAIN JETS IN PLAY-OFFS

Coach Neil Burk of the Minden Kings decided to change goalies in the third game of the best of seven Juvenile play-off series against Little Britain Jets last Monday evening in the new arena. If the Jets had any thoughts of having an easier time with Wayne Moxan than they had had in the previous two games with Bob Dudman, they were soon to have a rude awakening. On this Monday evening Wayne held the Jets to two goals while his team mates romped to a 6 - 2 victory. In Little Britain on Thursday evening Wayne had the Jets shaking their heads as he stopped point blank shots time and time again without allowing a rebound in posting an 8 - 4 overtime victory. The win gave Minden the series in four straight games.

On Monday evening Little Britain opened the scoring at 2.33 on a goal by Kevin Feild. Wayne Harrison tied the game up at 5.34 on a tremendous play by Bill Jackson who sent a perfect pass from the right side to Wayne in front that the goalie had no chance on. Bob Arbuthnot put the Kings in to a 2 - 1 lead at the 11:52 mark with Doug Ray and John Welch drawing assists. The period ended 2 - 1 for the Kings with the Kings also holding a 17 - 10 lead in shots on goal.

The Jets pulled even with the Kings at the 5:00 mark of the second period on a picture goal by Frank Ingram. At 11:26 of the second period Wayne Harrison picked up the winner and his second of the night. John Welch added an insurance goal two minutes later to end the period 4 - 2. The Kings once again outshot the Jets, this time 14 - 8.

Wayne Harrison with his third and John Welch with his second rounded out the scoring for Minden. They continued their bombardment of the Jet goalie in the third period outshooting the Jets 19 - 10 for a three period total of 55 - 28. The referees handed out seventeen minors with nine going to Little Britain.

In Little Britain on Thursday evening the Jets tied the game at 4 - 4 with just three seconds left to force overtime. This didn't bother the Kings at all, for they scored 4 goals in four minutes and fifty seconds of the ten minute overtime period to win easily.

John Welch was the hot shooter on this occassion when he netted three goals. Wayne Harrison had two, with singles going to Dave Pentney, Royce Miller and the winner was scored by Bob Arbuthnot.

The next series the Minden Kings will take part in will feature either Innsmore or Warkworth as their advasaries. Warkworth is leading their best of five series to date, 2 - 0.

BROOMBALL — The Minden Hylanders will be taking part in the Millbrook Broomball Tournament this weekend. Anyone wishing to attend are welcome but I'm afraid we were unable to get a bus for the trip, sorry folks. The team will be leaving the old arena at 8:30 a.m. Saturday morning. Teams entered besides the Hylanders are; 4 from Peterborough, 2 from Port Perry, 2 from Colbourne plus Orillia, Barrie, and Port Hope.

MINOR HOCKEY — The Minden Mite A team took part in the annual Fenelon Falls hockey tournament on Saturday and played two very good games, although they lost both. In the first game Minden was defeated 3 - 1 by the host team, and eventual winner of the tournament, Fenelon Falls. Jimmy Pettis scored the lone goal for Minden. In the second game Minden fell 3 - 2 to Bobcaygeon. The Cageon team won the game when they scored in the last minute of play. Minden got goals from Brett Porter and Kevin Warburton.

In Mite A league action last week, they split their two games. In a game played in Haliburton, Minden lost 3 - 1. Wade Berry picked up Minden's goal. Then on February 18th, Wilberforce travelled to Minden and were edged 2 - 1. Eldon Bull picked up both Minden goals.

In Mite B action, Minden trounced Haliburton 7 - 1. Wade Berry, Scott Yake, Eldon Bull, Brett Porter, Kevin Warburton, Timmy Pritchard, and Timmy Crowe scored for Minden.

The Novice B team dropped a 2 - 0 defeat to Wilberforce on Saturday, although the boys from Minden outplayed the Wilberforce team. You'll get them next time guys.

The Peewee B's have been extremely busy this past couple of weeks, although they just can't seem to come up with a victory. They've played very good hockey in the last four games but have only managed one tie. The tie came against Haliburton this past Monday in Haliburton 3 - 3. Stewart Russell had a pair in this contest, while Kirk Bull notched a single. The B's lost two heartbreakers to Kinmount 3 - 2 and 2 - 1. Brian Hogg had a pair with Kirk Bull getting the other goal. Kinmount also won a third game from Minden 3 - 1 two weeks ago. Brian Hogg was the lone scorer for Minden in this game.

The Minden Bantams travelled to Haliburton last Saturday for an exhibition game with the Haliburton B bantams and came away with a hard fought 3 - 3 tie that saw Shayne McKelvey score the tying goal in the last minute. Scott Gartshore and Barry Shaw scored the other Minden goals.

The Peewee A team played an exhibition game on Monday evening in the new arena and whipped Bobcaygeon 6 - 3. Brian Shaw picked up the hat trick in this game, while Gary Harrison had two and Terry Harrison one to round out the scoring.

BOWLING — Last week in Haliburton County Commercial Men's bowling action, Modern Electric continued to hold down first place by a single point, when they downed the Rockcliffe Beer Nuts 5 - 2. Haliburton Highballers kept pace with the Electric team, with an identical score over Ingoldsby. Cox's Colts also took Miles Road runners 5 - 2.

Standings as of February 21st with eight weeks of competition left, Modern 100 points, Haliburton 99, Rockcliffe 91, Cox's 76, Ingoldsby 66 and Miles with 50 points.

SIXTIETH WEDDING ANNIVERSARY

There was an Open House Monday afternoon, February 26th at Carnarvon United Church Hall on the occasion of the 60th Wedding Anniversary of Mr. and Mrs. John H. Harrison (Elizabeth Cooper). The Anniversary Cake was nicely decorated and centred the table. Pouring tea was Mrs. Bert Harrison.

Congratulatory Telegrams were received from H.R.H. Queen Elizabeth, William Scott M.P., Glen Hodgson M.P.P. Honorable Robert Stanfield, Honorable John Diefenbaker and Roy Brohm. Plaques were also received from Prime Minister Trudeau and Premier William Davis.

Among those who attended from Hyland Crest Senior Citizens' Home was her sister Miss Charlotte Cooper. Many gifts and flowers were received among these was a pot of Mums from the Altar Guild of St. Peters Anglican Church.

During the afternoon there were nearly a hundred persons enjoying a cup of tea and a visit with this elderly couple.

ABOUT THE TOWN

with Jeanne Sears

A lady had a happy surprise one day last week; she dropped a personal letter. On going back over her path she didn't see it. However she found it among her mail Saturday. She would like to thank the kind person who took time to see she would get it again. There must be some nice people in our village.

— — — —

Persons now away on holidays in the Sunny South include Minnie and John Pentney, Mr. and Mrs. Henry Gibson, Mrs. Vera Cowen and Mrs. Harry Welch, the latter visiting her son Gerald at Quincy.

— — — —

We were at one of the Minor Hockey games last week, and thought our young fellows were doing well, not only because they won that game and the fourth one in that series but because there was no friction, penalties were taken and the lads carried the play very well.

— — — —

Wonder how many people will have rushed to get their license plates this week. Understand some offices were open late on Saturday but no rush then. People might have to wait if they leave this purchase till the last day, February 28th.

— — — —

Bertha and Bob Hughes have another grandchild, now, a daughter of Mr. and Mrs. Blake Hughes.

— — — —

Heard on the Radio that Lake Ontario has the highest water level in many years, added to this will be the spring run-off. Our river and lakes are also high, hope we don't have too much rain to make flooding in the area.

— — — —

Don McElwain was a winner of $5 on the numbers of winning horses at Dollo I.G.A.

— — — —

This is Brotherhood Week, with everyone who cares about others perhaps being a little kinder in their ways. It is a time when everyone should throw away prejudice and try to see others' views.

— — — —

Sincere sympathy to Mrs. George Davidson on the death of her father.

— — — —

Wonder if you have some Brownie or Quide Uniforms stored away in your cupboard? These groups are being formed and uniforms are needed, and if you have any please contact Mrs. Wrightman at 286-2723.

— — — —

At the weekly Mini Card Party last Thursday afternoon winners were for cribbage second high Doris Craig and Molly Locke and for euchre Phil Robinson, Mae MacArthur and Florence Robinson, lone hands.

— — — —

Belated good wishes go to residents at the Hyland Crest Senior Citizens' Home, enjoying birthdays in February, included are Alice Fearrey, Mabel Lyons, Susan Kylie and Albert Quible.

— — — —

All his friends send good wishes to Ben Davis who is presently a patient at Toronto General Hospital.

— — — —

The days are getting longer and the sun really feels warm on your back: perhaps the snow will go away gradually.

Cheerio until next week.

DON'T TREAD ON THIN ICE'

The air is crisp and fresh. Snov covers the ground to a thre foot depth and clings to bare silvery tree branches. The lak surface glistens with ice.

Don't let the sparkling winte landscape catch you off guard

Throughout Canada last yea 48 people drowned after crash ing through thin ice while pur suing winter recreation such a skating, snowmobiling and ice fishing. Hundreds of other came dangerously close t death when they slipped through the icy surfaces of lakes, river and streams.

So before you venture out in to the winter wonderland o ice and snow, remember a fev simple ice safety rules: avoi ice surfaces over large lake and fast-moving rivers an streams, since fast moving cur rents weaken the ice on thes bodies of water.

Check the thickness of the ice to make sure it will bea the weight of your body an any other equipment you plan to use on it.

Keep your eyes open for an weak spots or holes in the ice A heavy snow cover may hid these until it is too late fo you to avoid them.

Do not cross ice alone.

If you fall through ice, don' panic! Spread your arms o the ice surface in front of you Then kick your legs in the wate until your body is almost in the level swimming position. Slid slowly forward on to the ice Once on the ice, do not attemp to stand — your concentrate weight may break through th ice. Move across the ice surface to safety by squirming or roll ing.

When helping someone els who has fallen through the ice spread your weight over a larg surface area by lying spread eagled on your stomach. Ther slowly tow the victim out o the water and to stronger ic or land. At no time shoul either the rescuer or the victi attempt to stand on the ice.

By adhering to sensible wate and ice safety rules, you ca enjoy winter outdoor activitie without the threat of fatal acci dents.

RED CROSS SERVES YOU EVERY STEP OF THE WAY

Have you claimed your credit?

Even if you don't pay income taxes you may benefit from the Ontario Government's new Property Tax Credit Plan. And you can only apply by filing a 1972 Income Tax Return.

We've included a special mauve claim form just for that purpose in your 1972 income tax kit. Along with an explanation of the plan.

If you paid property taxes or rent last year, you may be eligible. If you haven't received your kit in the mail, pick one up at any post office. And send in both the tax return and the claim form. The sooner you file, the sooner you'll receive your benefit.

Your federal District Taxation Office will be glad to answer any questions you might have.

The Ontario Property Tax Credit Plan. We thought of it. But we'd like you to get the credit.

ADELAIDE DANIELS SAYS

THE FAST EATERS

I am sure that most overweight is a result of excessive eating or of eating more food than the body uses for energy. But did you know that more than 90 per cent of overweight people are fast eaters? That the majority are stand-up eaters — that is people who do more eating while standing than when sitting, and also that most overweight people are such plate-cleaners that when they are through eating their dishes look prewashed!

For instance, a friend of mine could not understand why her aunt dawdled so much over a sandwich at lunch as she was on her dessert before her aunt was halfway through the sandwich. At dinner she found she was finished long before her husband and then she would nibble on bread until he caught up.

Another of her habits while waiting for her husband to finish was to use the bread to wipe up all the gravy on her plate. After all, she had been taught as a child to clean her plate and by the time she grew up, plate-cleaning was an obsession.

As I have said, the vast majority of overweight persons are fast eaters. They are usually done before everyone else. They take large bites; and they often act as if they know there will be no tomorrow — and they can't think of anything better to do on their last day than eat.

If you want to lose weight, you must start to eat slowly. It is not easy but with a little practice it will get easier. By eating slowly you give the normal body processes that stop hunger enough time to come into play; hence there is hardly any desire for seconds or to nibble while you're waiting for someone else to finish.

As for plate-cleaning, remember that if there is more than you need on your plate, do not eat it! Leave that last bite. In actuality there is no harm in forgetting some of the things you learned as a child. And if you get guilt feelings about the starving people in Asia, remember that your eating that extra food will not help them at that moment anyway. So try to take only the amount you should and don't be afraid to leave some over.

Your questions are invited.
